Have you funded in Grant, Hidalgo, Luna or Catron Counties in the past? _____

If so, to the extent you are able and comfortable, could you describe the types of projects and organizations that you funded and the amounts?

Have you ever had any challenges funding requests or with grant management in this region? If so, please briefly describe.

What are the principal funding areas for your organization?

Does your organization allow funding for general expenses or specific projects only?

Would you be interested in receiving information about future activities in our region and perhaps participating in our ongoing series of Executive Director Roundtables?
